

CT101 Beam Slider

Data Sheet

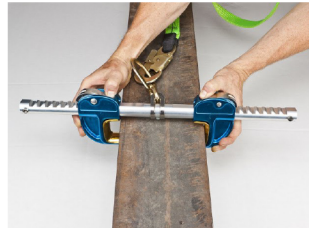

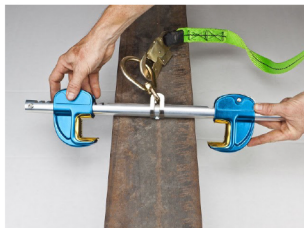

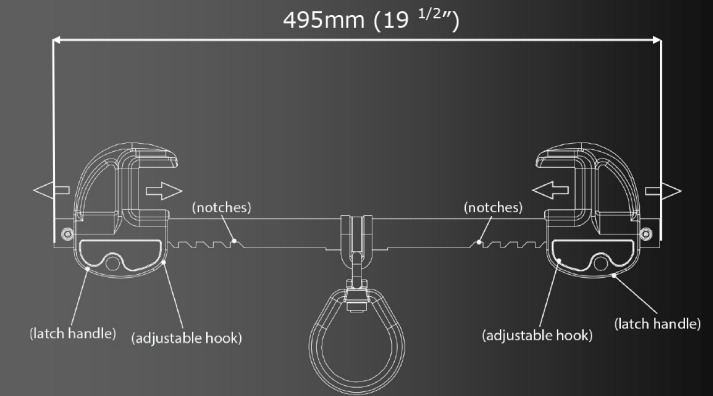

climb. work. rescue.

SOLUTIONS IN METAL

The ClimbTech™ I-beam Slider is a lightweight, reusable anchor clamp which can be attached to a range of beam widths. The Beam Slider is quick and easy to fit/adjust and eliminates the need for any surface alteration (i.e. drilling).

Weight	1.5kg (3lbs)
WLL	140kg (310lbs)
Beam Width Range	76mm (3")-305mm (12")
Beam Flange Thickness	Max 31mm,(1.25")
MBS	22kN (5,000lbf)
Standards	OSHA 1926.502, ANSI Z359.1-2007, ANSI Z359.7-2011 EN795:2002 Class B
